## QUICKCUT

You can now send PDF's to APN Outdoor Media using Adstream's Quickcut service!

### AGENCIES WITH QUICKCUT

Agencies with access to Quickcut can send finished artwork to APN Outdoor right now.

#### STEP 1

Start by launching QuickPrint and choosing the Lookup menu item in the file menu or launch QuickPrint through InDesign's QuickPrint menu and choose Job Details/Export. Start typing APN in the publisher field to refine the list of publishers. Then select (double click) the APN Outdoor Australia publisher.

#### **STEP 2**

Double click APNO Billboards or APNO Transit as the publication. Click the link to go to the template website.

#### STEP 3

Navigate the product list and locate the visual size (billboards) or transit product you require for your campaign. Click on the link to download the InDesign template.

#### **STEP 4**

Once you have created your artwork and completed the QuickPrint destination details, hit Export to create your PDF and upload for validation and delivery.

## AGENCIES WITHOUT QUICKCUT

For those Agencies without direct access to Quickcut, PDF's can easily be sent to APN Outdoor via the Quicksend web service.
